## SUMMARY

Skilled Front-end Developer with 3+ years of experience crafting responsive websites using HTML, CSS, and JavaScript, including React.js with Redux and React Router. Proficient in back-end development with Node.js, Express.js, and MongoDB. Experienced in collaborating with cross-functional teams, troubleshooting technical challenges, and delivering high-quality code. Committed to continuous learning and integrating cutting-edge technologies for optimal results.

## SKILLS

- Front-end Development: HTML5, CSS3 (including preprocessors), JavaScript (ES6+), React.js (Redux, React Router), Next.js
- Back-end Development : Node.js, Express.js, MongoDB, npm, RESTful APIs
- Content Management Systems: WordPress, Squarespace
- Version Control: Git
- UI Frameworks: Bootstrap, Tailwind CSS, Material UI, Framer, Chakra UI
- Additional Tools: Postman, Chrome DevTools, Figma

## WORK EXPERIENCE

**10/2022 – Present**

**Web Developer** | Cerebral Hub, Lekki, Lagos
- Delivered 15+ fully functional and responsive WordPress websites, ensuring optimal user experiences across devices.
- Built & optimized landing pages with stunning visuals and seamless interaction using HTML, CSS, and JavaScript.
- Collaborated effectively with designers, marketing teams, and content developers to achieve project goals on time and within budget.
- Revitalized and optimized multiple websites through proactive content updates, resulting in a 40% increase in user engagement and a 25% improvement in SEO rankings.
- Spearheaded the integration of cutting-edge web technologies like Web Components and headless CMS for improved performance and scalability.

**05/2021 – 02/2022**

**Software Development Intern** | Kreateng Africa, Pedro, Lagos
- Successfully launched 10+ responsive WordPress websites exceeding client expectations and boosting online presence.
- Developed & maintained user-friendly websites using best practices in HTML, CSS, and JavaScript, ensuring cross-browser compatibility.
- Demonstrated exceptional problem-solving skills, actively collaborating with teams to resolve technical issues promptly.
- Conducted comprehensive client consultations to understand website needs and implement desired functionalities, maintaining high customer satisfaction.
- Pioneered the development of school portals for diverse clientele, streamlining educational processes and communication.
- Provided consistent technical support, ensuring optimal performance and troubleshooting website issues for clients.
- Led boot camps to mentor and train aspiring front-end developers, cultivating future talent in the field.

## EDUCATION

**Graduated 08/2022**

**BEng. Electrical and Electronics Engineering** | Covenant University, Ogun
- Acquired extensive knowledge in power systems and embedded systems.
- Completed projects utilizing electrical components and programming languages like Python.

- Held leadership positions as Community Development Officer and Assistant Event Officer, organizing department events and inductions.
